Terrific tender teams (the equivalent of the regular Monday night Gentle Duplicate game) is underway. The next tender team game is Saturday, February 6. Tips on team play with Kate Hill is 12:45 p.m.; the game begins at 1:00.

February 7 is the unit game. Call Kathy Venton with questions or partnership needs at 707 591-5015. Kathy will be teaching about reverses on Saturday February 27. This is an all-important way to bid big hands. Kathy will also be teaching a Hamilton/Cappelletti session on March 4. A defense against notrump openers will empower you. Thursday nights starting March 15 Kathy will teach about preempts, take-out doubles, overcalls, and competing for the contract. Bridge is a sport of brute intelligence - taking classes gets you ahead. Details are available at the Gallery.

Is it too soon to think about the Santa Rosa Sectional? No! It's March 27-28. Saturday is pairs day with a two-session Open Pairs game starting at 10:30 a.m. There will be a single session side game and our ever-popular 299er single session game also starting at 10:30. The afternoon sessions start at 3:30 with the continuation of Open Pairs, another single session side game and another 299er event. Sunday is Swiss Teams day - bracketed by average team masterpoints. It's a playthrough of six rounds, eight boards per round. Mid session there will be a short break for our terrific complimentary lunch (yes, it's free). You'll get coffee, tea and snacks the whole weekend. Come and enjoy yourself.

If you have questions, call Larry Borsian, tournament chair, at 707 658-2284. Kathy Venton will fulfill your partnership needs. So here's the deal: play bridge all weekend, see your friends, eat for free, get points. Life is good. Happy groundhog day.

## South County

By Jim Solomon

Come join us on February 5 at the Marina Community Center in San Leandro for our annual single-session Pizza Swiss Teams event. Welcome to the Unit 500 board to its two new members, Susan Lampert & Charlie Conrad. Every now and then the stars and planets align to achieve an astronomical result. Congratulations to Ricky Elin & Marion Goldberg who achieved their 75% game December 7.
